Chapter 1 by The Art of Suffering**Alibis by Marianas Trench**

from the scrapes and bruises
to the familiar abuses
i'll kick and scream but it never changes anything

and i could spill my guts out
wearing my best little girl pout
and i almost missed it but nobody said that this was gonna be easy

this is not the man i hoped to be and i'm just trying to stop the bleeding
i don't know how to word it, i just started to deserve it
and all my, all my faces are alibis
and me, i'm half the man i wanted to be

most times it all comes out wrong

i don't know the words but i'll hum along

there's nothing familiar here anymore

to anyone or anything enough to feel alive

and i still taste that sickne

and it makes me crazy without it at best

but i'm in the same place i used to be
but i'm trying harder not to be

this is not the man i hoped to be and i'm just trying to stop the bleeding
i don't know how to word it, i just started to deserve it
and all my, all my faces are alibis
and me, i'm half the man i wanted to be

so what am i, what am i, so what am i
and all my, all my faces are alibis (all my faces are..)
this is not the man i hoped to be and i'm just trying to stop the bleeding
i don't know how the words go
i just started not to say no

don't want it, don't get it,
i know you won't regret it
don't surface, don't surface,
and i feel so damned worthless
another day is gone and all my faces are alibis
all my faces are alibis

and me... i'm half the man i wanted to be..

Always On My Mind

by Willie Nelson

Maybe I didn't love you
Quite as often as I could have
And maybe I didn't treat you
Quite as good as I should have

If I made you feel second best
Girl I'm sorry I was blind

You were always on my mind

And maybe I didn't hold you
All those lonely, lonely times
I guess I never told you
I am so happy that you're mine
Little things I should have said and done
I just never took the time
You were always on my mind
You were always on my mind

Tell me
Tell me that your sweet love hasn't died
And give me
Give me one more chance to keep you satisfied
I'll keep you satisfied

Little things I should have said and done
I just never took the time
You were always on my mind (you were always on my mind)
You were always on my mind

You were always on my mind (you were always on my mind)
You were always on my mind

You Raise Me Up

by Josh Groban

When I am down and, oh my soul, so weary;
When troubles come and my heart burdened be;
Then, I am still and wait here in the silence,

Until you come and sit awhile with me;

See more of Story Wars

You raise me up, so I can stand on

You raise me up, to walk on

I am strong, when I am on

You raise me up, To more than I can be,

You raise me up, so I can stand on mountains;
You raise me up, to walk on stormy seas;
I am strong, when I am on your shoulders;
You raise me up... To more than I can be.

There is no life – no life without its hunger;
Each restless heart beats so imperfectly;
But when you come and I am filled with wonder,
Sometimes, I think I glimpse eternity.

You raise me up, so I can stand on mountains;
You raise me up, to walk on stormy seas;
I am strong, when I am on your shoulders;
You raise me up... To more than I can be.

You raise me up, so I can stand on mountains;
You raise me up, to walk on stormy seas;
I am strong, when I am on your shoulders;
You raise me up... To more than I can be

Chapter 4 by Monorilakkuma

Lost Boy By Ruth B

There was a time when I was alone
Nowhere to go and no place to call home
My only friend was the man in the moon
And even sometimes he would go away, too

[Verse 1]

Then one night, as I closed my eyes,

I saw a shadow flying high

He came to me with the sweetest smile

Told me he wanted to talk for awhile

He said, "Peter Pan, That's me"

I promise that you'll never be lonely

And ever since that day...

[Chorus]

I am a lost boy from Neverland

Usually hanging out with Peter Pan

And when we're bored we play in the woods

Always on the run from Captain Hook

"Run, run, lost boy," they say to me,

"Away from all of reality."

[2x]

Neverland is home to lost boys like me

And lost boys like me are free

[Verse 2]

He sprinkled me in pixie dust and told me to believe

Believe in him and believe in me

Together we will fly away in a cloud of green

To your beautiful destiny

As we soared above the town that never loved me

I realized I finally had a family

Soon enough we reached Neverland

Peacefully my feet hit the sand

And ever since that day...

[Chorus]

I am a lost boy from Neverland

Usually hanging out with Peter Pan

And when we're bored we play in the woods

Always on the run from Captain Hook

"Run, run, lost boy," they say to me,

"Away from all of reality."

Peter Pan, Tinker Bell, Wendy Darling,
Even Captain Hook.

You are my perfect story book
Neverland, I love you so,
You are now my home sweet home
Forever a lost boy at last

And for always I will say...

[Chorus]

I am a lost boy from Neverland
Usually hanging out with Peter Pan
And when we're bored we play in the woods
Always on the run from Captain Hook
"Run, run, lost boy," they say to me,
"Away from all of reality."

[2x]

Neverland is home to lost boys like me
And lost boys like me are free

Here Comes The Sun

Here comes the sun, here comes the sun
And I say it's all right

Little darling, it's been a long cold lonely winter
Little darling, it feels like years since it's been here

Little darling, the smiles returning to the faces

Little darling, it seems like years since it's been here

Here comes the sun, here comes the sun
And I say it's all right

Sun, sun, sun, here it comes
Sun, sun, sun, here it comes
Sun, sun, sun, here it comes
Sun, sun, sun, here it comes
Sun, sun, sun, here it comes

Little darling, I feel that ice is slowly melting
Little darling, it seems like years since it's been clear

Here comes the sun, here comes the sun
And I say it's all right
Here comes the sun, here comes the sun
It's all right, it's all right

Chapter 6 by The Coffee Freak

Me, Myself, and I
G-Easy (ft. Bebe Rexha)

Oh, it's just me, myself and I
Solo ride until I die
Cause I got me for life
(Got me for life, yeah)
Oh I don't need a hand to hold
Even when the night is cold
I got that fire in my soul

And as far as I can see I just need a whole lot of love
Plus a whole lot of tree fuck all this modesty
I just need space to do me
A stellar max flow right beside of me

A Ferrari I'm buyin' three
A closet of Saint Laurent, get what I want when I want
Cause hunger is driving me, yeah
I just need to be alone, I just need to be at home
Understand what I'm speaking on if time is money I need a loan
But regardless I'll always keep keepin' on
Fuck fake friends, we don't take L's we just make M's
While y'all follow, we just make trends
I'm right back to work when that break ends

Oh, it's just me, myself and I
Solo ride until I die
Cause I got me for life
(Got me for life, yeah)
Oh I don't need a hand to hold
Even when the night is cold
I got that fire in my soul

I don't need anything to get me through the night
Just the beat that's in my heart
Yeah, it's keeping me alive
(Keeps me alive)
I don't need anything to make me satisfied (you know)
Cause the music fills me good and it gets me every time

Yeah, and I don't like talking to strangers
So get the fuck off me I'm anxious
I'm tryna be cool but I might just go ape shit
Say fuck y'all to all of y'all faces
It changes though now that I'm famous

Swimming in liquor my liver is muddy
But it's all good I'm still sippin' this bubbly
This shit is lovely, this shit ain't random, I didn't get lucky
Made it right here cause I'm sick with it Cudi
They all take the money for granted
But don't want to work for now tell me, isn't it funny?

Oh, it's just me, myself and I
Solo ride until I die
Cause I got me for life
(Got me for life, yeah)

Cause the music fills me good and it gets me every time

Yeah, lonely nights I laid awake

Pray to lord, my soul to take

My heart's become too cold to break

Know I'm great but I'm broke

Having dreams that I'm rolling wave

All my life I've been told to wait

You know the rules and so do I

You wouldn't get this from any other guy

[Verse 2]

We've known each other for so long
Your heart's been aching but you're too shy to say it
Inside we both know what's been going on
We know the game and we're gonna play it

[Pre-Chorus]

And if you ask me how I'm feeling
Don't tell me you're too blind to see

Never gonna give you up
Never gonna let you down
Never gonna run around and desert you
Never gonna make you cry
Never gonna say goodbye
Never gonna tell a lie and hurt you

Jar of Hearts - Christina Perri

[Verse 1]

No, I can't take one more step forward, you
Cause all that's waiting is
Don't you know I'm not your ghost anymore?

You lost the love I loved the most

[Pre-Chorus]

I learned to live, half alive

And now you want me one more time

[Chorus 1]

And who do you think you are?

Runnin' 'round leaving scars

Collecting your jar of hearts

And tearing love apart

You're gonna catch a cold

From the ice inside your soul

So don't come back for me

Who do you think you are?

[Verse 2]

I hear you're asking all around

If I am anywhere to be found

But I have grown too strong

To ever fall back in your arms

[Pre-Chorus] + [Chorus 1]

[Verse 3]

It took so long just to feel alright

Remember how to put back the light in my eyes

I wish I had missed the first time that we kissed

'Cause you broke all your promises

And now you're back

You don't get to get me back

[Chorus 2] x2
